

### **When can I make payments from my United Kingdom based bank account?**

*We will contact you within five business days to let you know if your assignment has been successful. We will detail our new bank account details at this time. You will then be able to pay your next Interest payment from the United Kingdom.*

### **Can I send a lump sum of interest from my UK account?**

*Yes, you are able to over-pay your Interest. Please ensure to send an email to [Helpdesk@rawcapitalpartners.com](mailto:Helpdesk@rawcapitalpartners.com) noting that you would like the funds to be held for the purpose of paying Interest.*

### **Can I continue to pay from my local bank account as and when necessary?**

*Yes, you are welcome to pay from either your local or UK bank account.*

### **Can I pay the £150 with my next interest instalment?**

*Yes, please do ensure that you send the extra funds to cover the £150 assignment fee.*

### **What does the £150 fee cover?**

*The £150 fee covers the cost of evaluating and assigning your loan to enable UK Interest payments.*

### **Why is it necessary to assign the loan to RAW UK?**

*It is only necessary to assign your loan if you wish to pay your Interest from a UK based bank account.*

### **What is a Mortgagor?**

*The mortgagor is the same as the borrower in most cases. You will only be able to sign the sections of the document which are intended for yourself.*

### **What happens once I have consented to the assignment of my loan?**

*Our Client Services team will contact you within five working days to advise of the necessary further steps.*
