

Graduate / school leaver program Summer 2022

About the position

This is a great opportunity for a recent graduate or school leaver to make a place for themselves in a thriving local business.

During the first year, you will share your time amongst several roles to help you learn about the business and the role to which you are best suited. At the end of the first year, you will settle on a permanent position and a defined career path.

Responsibilities

The successful candidate's role and responsibilities will vary during the first year but will include:

- developing new business;
- analysing lending opportunities;
- executing debt investments on behalf of the firm's funds; and
- client services

The role will also include working on other ad hoc projects as the business demands.

Experience

No particular academic background or industry experience is required but we will be looking for candidates who use their initiative, act responsibly, and collaborate with others.

Skills & qualifications

- Educated to A level standard
- Strong numerical and literacy skills
- Excellent organisation and communication skills
- IT literate and familiar with MS Office applications

The successful candidate will be encouraged to undertake a foundation level professional qualification such as the LIBF Certificate in Mortgage Advice & Practice, CISI Investment Operations Certificate, or ICA Certificate in Compliance during their first year.
